

# Medicare 101

## An Educational Overview and Q&A Session

Join us for an informative session designed to help You better understand the fundamentals of Medicare!

**Tuesday, April 28<sup>th</sup>, at 1:00 PM**  
**Hass-Darr Hall Classroom 101**

Whether you are approaching Medicare eligibility, already enrolled, or helping a loved one, this educational overview will give you the tools and confidence to make informed decisions.

Torrey Amstutz is an advisor at Fortner Employee Benefits & Medicare for Group Employee Benefits and Medicare Specialist with more than 29 years of experience as an insurance Broker. Torrey has a passion for educating clients about the Employee Benefits and Medicare process. He is fully licensed and certified to sell these products and has extensive knowledge about the intricate details of the health insurance markets.

At FEBM, we pride ourselves on providing a comprehensive spectrum of services to our loyal clients. The transition to Medicare is complicated and can be very confusing. Having an advocate to assist you with this process is just one of the benefits we provide.

Education is the key to empowering clients with the necessary information to make a sound, informed decision about their coverage needs. Whether you are aging into Medicare and need expert advice on Medicare Supplements, Medicare Advantage Plans, and Prescription Drug Plans, or, if you need help reviewing your current Medicare policies, Torrey, Nathan, and the FEBM team of Medicare Specialists are here to assist you.
