

Register for an In-Person Ready to Retire Session.

Summer will soon fade into Fall – that means MOSERS will be on many campuses presenting a Ready to Retire seminar designed for higher education institution employees who are within 5 years of retirement eligibility.

All members of the MSEP, MSEP 2000, and MSEP 2011 are welcome to attend this seminar.

Topics include pension plan features, the retirement process (due dates, etc.), benefit formula, cost-of-living adjustments, and decisions you will have to make during the retirement process; including benefit payment options, BackDROP, and termination and re-employment rules.
